Dear **Ms.** Hagerty:

33-5- I am a Coralville resident opposed to the lease of land near Noah Liberty for a Muslim Youth Corps of America convention center.

20-1
30-2- [As more details about the size of the project have come to light, it is clear that it will place a burden on Johnson County to provide services. This, plus the disruption of the natural area, addition of parking lots and increased traffic will result in a negative impact on the area.]

Please reconsider the effect of taking away natural areas for what **is** essentially a commercial use.

Sincerely,

Arlene Gibbon
