Ms. Hagerty:

Regarding the proposal to create a **camp/convention** center on the North Liberty area land formerly used for Camp Daybreak:

6.9
33-33 As a resident of North Liberty, I often walk *my* dog through the Camp Daybreak area enjoying the panorama of nature at every season. A camp is a few scattered shelters and tent pads. It is NOT a multi-story hotel surrounded by asphalt parking lots constructed over acres of bulldozed trees. J

7-10 With the construction of the MYCA convention center, access to this area by the general public will end. Land now open to everyone will pass into strict control with no access for the general public. J

I believe the federal land should remain open and accessible to ALL of us.

Sincerely,

Diane McGraw
