## WINTER LOCKAGE HOURS

### MISSISSIPPI RIVER

### LOCKS 11 through 22

Rock Island District Locks 12, 13, 14, 15, 16, 17, 18, and 20 will be staffed to lock traffic between 0800 and 1600, Monday through Friday during the period 17 December 2007 through 7 March 2008. Tows requiring lockage outside these hours must contact the lockmaster in advance so that lock operators can be called in to operate the lock. Locks 21 and 22 will continue to lock traffic 24/7 depending on winter conditions.

Lock 11 will be closed to all navigation from 0730 on 15 December 2007 until 1630 on 15 March 2008. The purpose of this closure is for major rehabilitation of lock which includes installation of new miter gate and tainter valve machinery, a lock bubbler system, concrete and structural repairs, installation of electrical systems, and miter gate and anchorage repair.

Lock 19 will be closed to all navigation from 0730 on 15 December 2007 until 1630 on 11 March 2008. The purpose of this closure is for repairs to the service gate and service gate slot, new hydraulic operating system for the upper lift gates, mechanical and electrical installation, and work on sheaves, cables and mooring bits.
