CHANNEL CLOSURE

Benton Island, RM 419.5 – 420.0

The navigation channel is currently **CLOSED** due to shoaling. Mechanical dredging crews are on site working to reopen the navigation channel.

The navigation channel will remain blocked until further notice. Towboat operators are requested **NOT** to attempt to pass during this closure period, and are requested to use caution transiting the area when the channel has reopened.

Please contact the Motor Vessel Davenport or the Motor Vessel Muscatine on channel 13, 16, or 82 for further instructions.
