## **MISSISSIPPI RIVER**

### **LOCK RESTRICTION**

**LOCK 22, LOCK 21, UMR MILE 301.2, UMR MILE 324.9**

- 1. Due to heavy ice conditions a 70-foot width restriction is in effect until further notice at Lock 21 and Lock 22. Double tripping or use of an industry helper boat will be required for doubles as both locks are unable to use tow haulage to pull cuts.**
- 2. This width restriction will be lifted when ice conditions improve.**
