~~Dear~~ Ms. Karen Hagerty,

33-9

I support the **Muslim** Youth Camp Project. I am a Muslim American. I believe that **my** Muslim American child should be able to attend a camp where he **can** identify with the core values of America as a benefit to himself and to American people.

33-9

It is a **fact** that the number of **Muslim** Youth is increasing rapidly in this country, so **their needs to feel home and** having the same opportunities as their **non-Muslim** peers should be met. **Muslim Youth Camp** would **fulfill** this purpose.

Thanks and Regards,
