**RE: Proposed lease of Camp Daybreak, Coralville Lake, North Liberty, Ia
Official Public Comment in response to Environmental Assessment**

TOPIC: Public opposition

Dear Karen:

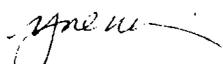

There is considerable public opposition to the size and scope of the proposal detailed in ⁷ the Environmental Assessment. 2-7

Zambrana Engineering did not adequately assess the extent **of** this opposition in the environmental assessment. 29-2

Attached are copies of signed petitions from citizens in and around Johnson County **who** "object **to** the lease of this federal land due **to large** scale disturbance **of** forest along more than a mile of shoreline to build a multi-million dollar conference/retreat center". 2-7

This represents the first **of** several mailings of signed petitions that **we** will be forwarding to you.

Sincerely,

Lynne M Kinney
