

Mississippi River, Nauvoo, IL - CAP Section 14

U.S. ARMY CORPS OF ENGINEERS

BUILDING STRONG ®

Location

Nauvoo Township, Hancock County, IL

State(s)

IL

Congressional District(s)

IL-18

Status

New start funding was received in FY-14 to begin Feasibility Phase and complete the Federal Interest Determination Report. Prior to receipt of Federal funding, the Non-Federal Sponsor obtained a grant through the Illinois Dept of Commerce and Economic Opportunity to repair the erosion. The project was terminated since the erosion was repaired.

Description

Erosion from the Mississippi River was threatening the stability of North Sycamore Haven Drive in Nauvoo, IL. Nauvoo Township, Hancock Co., IL requested assistance in determining the best action to control/stop erosion along a 0.4 mile section of Sycamore Haven Drive caused by erosion from the Mississippi River. The road serves as a route between the Villages of Nauvoo and Niota and provides direct vehicular access to many residences, farms and businesses. An opportunity existed to protect the bankline and avoid further damages to this public infrastructure.

Summarized Project Costs

	FEASIBILITY
Federal Cost	\$8,895
Non-Federal Cost	\$ 0
Total Cost	\$8,895
Federal Allocations through FY 2013	\$ 0
