

# Plum River, West Wacker Dr., Carroll County, IL - CAP Section 14

U.S. ARMY CORPS OF ENGINEERS

BUILDING STRONG ®

**Location**

Savanna, Illinois

**State(s)**

IL

**Congressional District(s)**

IL-17

**Status**

Project is awaiting new start funding.

**Description**

The Plum River is eroding its right streambank threatening the stability of the adjacent West Wacker Drive. The road is a high traffic county road which includes a school bus route, emergency vehicle access to a local subdivision and would require an extensive detour route if the road was lost due to excessive erosion. There exists an opportunity to stabilize the eroding streambank and provide protection to this critical public infrastructure.
