

# Sac & Fox Settlement Master Planning, PAS&T Study

U.S. ARMY CORPS OF ENGINEERS

BUILDING STRONG®

## Location

Meskwaki Indian Settlement, Tama, Iowa

## State(s)

IA

## Congressional District(s)

IA-1

## Status

The Scope of work has been prepared. The Cost Share Agreement has been prepared, reviewed, and approved of by District Office of Counsel. A letter from the Bureau of Indian Affairs (BIA) has been received stating that the Tribe is able to use grant funding to cost share this project. Work-In-Kind crediting estimate for the Tribe has been scoped out and finalized. In 2014 the Tribe requested additional deviations to most recent iteration of the model Cost Sharing Agreement. The edits were reviewed by USACE HQ's Office of Counsel and a letter was sent to the district on November 11, 2014 stating why or why not the Corps could legally accept the deviations requested by the Tribe. The next step is for the Tribe to determine whether it wishes to move forward with signing the Cost Sharing Agreement without the requested deviations.

## Description

This study is located at the Meskwaki Settlement in Tama County, Iowa. The Sac & Fox Tribe (Tribe) has requested the U.S. Army Corps of Engineers, Rock Island District, through Planning Assistance to States and Tribes (PAS&T), provide assistance with flood plain analysis, floodplain management, and flood risk reduction planning on the Meskwaki Settlement.

## Summarized Project Costs

Federal Cost	\$93,000
Non-Federal Cost	\$93,000
Total Cost	\$186,000
Federal Allocation Through FY 2014	\$78,000

## Additional Project Information

The Section 22 program effectively allows non-Federal interests to leverage their resources and efficiently engage Corps expertise in meeting their water resources planning needs.

## Major Work Item (This Fiscal Year)

**FY2014:** Finalize Scope of Work and Work-In-Kind; Finalize Cost Estimate and draft cost sharing agreement

# Sac & Fox Settlement Master Planning, PAS&T Study
